Trees of Mount Ainslie

Sunday, 26 August 2012

1.00 – 3.00pm

Nature park entrance

Kellaway St, Phillip Ave, Hackett

Enjoy a gentle and informative walk on the slopes of Mount Ainslie with local ecologist Michael Doherty. Learn how to identify local woodland and forest trees, see where they occur and hear how they survive fire and drought.

Tree guides are available for a gold coin donation.
