Dear Ms Pix

Thank you for your email of 11 October 2012 in which you provided your paper 'Issues concerning Mt Majura Nature Reserve and Canberra Nature Park'.

While I am not able to respond in detail to the issues that you have raised in your detailed paper prior to the election, I am aware of the issues, as we discussed them when we met in May this year.

I have forwarded your paper to the relevant government agencies and have asked for information that could be provided to the incoming government for its consideration.

Thank you for providing the paper and I look forward to continuing our discussions on how best to improve our parks and reserves, or 'green assets', and continuing to strengthen community engagement in nature conservation.

Yours sincerely

Katy Gallagher MLA  
Chief Minister
