

Friends of Mount Majura (FoMM)

Rare Plant Survey

Sunday, 18 October, 2 - 4pm

Meet: nature reserve entrance Mackenzie St close to Grayson St, Hackett.

Bring: Sun protection, sturdy shoes, water and a camera or iPhone.

Mount Majura is home to a number of rare and endangered plant species. What are they and where are they? Join experts to find out and learn how to register them on Canberra Nature Map. Information from the survey will guide the management of the reserve.
