

Friends of Mount Majura

Bug Walk

Orb weaver spider on gum leaf

Moth

Plant hopper

Photography: Ian Gordon

Sunday 11th October 2015
10 – 12 am

Numbers limited. Bookings essential: 6248 8955

Join Ian Gordon a macro-photography enthusiast with a sharp eye and keen interest in tiny creatures. Try to decode camouflage and train your eyes to locate small creatures - orb weaving spiders, lady bugs, parasitic wasps, caterpillars, plant hoppers..... What will you spot?

Bring a magnifying lens, wear sun protection and covered shoes.

Please bring a gold coin donation.
